RCoPB Services Committee - Rotary Year 2010-2011

COMMUNITY RELATIONS – COMREL

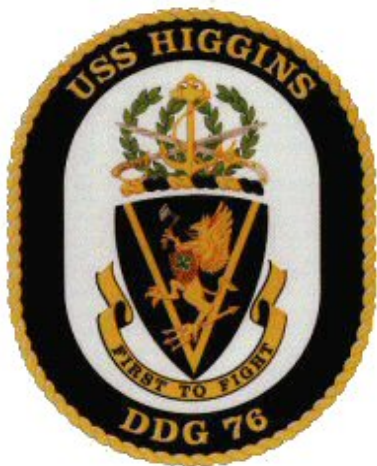

Project: USS HIGGINS (DDG 76) at Ban Shoampo Mosque, Au Por, Phuket Province, Thailand.

Project Date: Saturday 19 February 2011, 07:30 – 13:00, depart from the port around 08:00

COMREL Participants and Point of Contacts: Lt. Stephen Chapman - USS Higgins (DDG 76)
Email: chapmas@ddg76.navy.mil, it is estimated to complete this job we will need 10-20 volunteers from the ship and there will be other volunteers from RCoPB and US Navy League along with local people.

Rotary Project Primary Contact / Report Author: Brad Kenny – esppkt@ksc.th.com

Project Participating Volunteers: USS HIGGINS (DDG 76) Sailors, Rotary Club of Patong Beach, US Navy League.

Proposed Project Details and Objectives: Attached are some photos of the buildings requiring attention at the Mosque in Ban Shoampo, very near a village called Ban Laeng Dang. The Mosque is in a small village, about 5km short of Au Por (Por Bay) in the north east corner of Phuket Island. The buildings are really only in need of a spruce up. A good scrub in places and a bit of paint. The buildings concerned are attached to the mosque, but are not the building of worship. The requested work is to be in the associated classrooms used for religious education and the washrooms. The attached photos show the buildings.

Building needing Clean up and painting

Toilet Building needs painting.

The plan would be to paint the first floor outside walls and the second floor walkway outside lower edge of the 2 story building (top pictures above) and paint the small bathroom building both outside and inside (lower photos above).
